Basilisk

The peace treaty that has long kept two warring ninja clans from tearing at each other's throats has been broken! Tragically, the love of Gennosuke of the Kouga ninja and Oboro of the Iga ninja has been caught in the middle. Is there hope yet for these star-crossed lovers, or has the violent feud between the two clans gone on for too long for there to be reconciliation?

Suzuka

If you're into romance stories like Video Girl Ai or Ai Yori Aoshi, be sure to check out Suzuka! It's the story of Yamato, a guy who's looking for a fresh start in life. He's moving to his aunt's boarding house in Tokyo... but it's an all-girls housing complex, not really the most comfortable place for a guy to live. To make things even more awkward, his new neighbor Suzuka seems like the girl of his dreams – but she's also an outgoing, intimidating track star. Can a relationship grow between two people who seem so poorly matched?
